MISSION STATEMENT

The Mission of the World Memon Organisation Charitable Foundation (“the WMO”) is to act as the central Memon organisation representing the Memon community throughout the world and to promote the advancement, upliftment, unity, welfare and well-being of all Memons in particular and all Muslims in general in the world in all aspects of life and at all times in accordance with and under the guidance of Islamic principles.

وَأَعْتَصِمُوا بِحَبْلِ اللَّهِ جَمِيعًا وَلَا تَفَرَّقُوا

“Hold fast to the rope of Allah all together, and do not separate.”

The Noble Qur’an, 3:103

وَتَعَاوَنُوا عَلَى الْبِرِّ وَالتَّقْوَىٰ وَلَا تَعَاوَنُوا عَلَى الْإِثْمِ وَالْعُدْوَانِ

*“Help each other to goodness and taqwa
and do not help each other to wrongdoing and enmity.”*

The Noble Qur’an, 5:2

وَمَنْ يُطِيعِ اللَّهَ وَالرَّسُولَ فَأُولَئِكَ مَعَ الَّذِينَ أَنْعَمَ اللَّهُ عَلَيْهِمْ
 مِنَ النَّبِيِّينَ وَالصِّدِّيقِينَ وَالشُّهَدَاءِ وَالصَّالِحِينَ وَحَسُنَ
 أُولَئِكَ رَفِيقًا ﴿٦٩﴾ ذَلِكَ الْفَضْلُ مِنَ اللَّهِ

*“Whoever obeys Allah and the Messenger will be with those whom Allah has blessed:
 – the Prophets and the truly sincere, the martyrs and the righteous.
 What excellent company such people are. That is favour from Allah.”*

The Noble Qur’an, 4:69

إِنَّ الْمُصَدِّقِينَ وَالْمُصَدِّقَاتِ وَأَقْرَضُوا
 اللَّهَ قَرْضًا حَسَنًا يَضْعَفُ لَهُمْ وَلَهُمْ أَجْرٌ كَرِيمٌ

*“The men and women who give sadaqa and make a good loan to Allah
 will have it increased for them and they will have a generous reward.”*

The Noble Qur’an, 57:18

Hakim ibn Hazim related that the Messenger of Allah @ said, “The best kind of sadaqa is that which is given when you are rich, and the upper hand is better than the lower hand, and start with those for whom you are responsible.” (Sunan an-Nasa’i, III:2544)

Abdullah ibn Umar related that the Messenger of Allah @ said from the mimbar when mentioning sadaqa and refraining from asking, “The upper hand is better than the lower hand. The upper hand is the one which expends, and the lower one is the one which asks.” (Al-Muwatta Imam Malik, 58:2)

Salman ibn Amir related that the Prophet @ said, “Giving in charity to a poor person is sadaqa and giving to a relative is two things: sadaqa and maintaining ties of kinship.” (Sunan an-Nasa’i, III:2583)

Jabir related that the Messenger of Allah @ said, “Start with your own self and spend it on yourself, and if anything is left it should be spent on your family, and if anything is left it should be spent on relatives, and if anything is left it should be spent on this and on this and on this,” and he was saying, “in front of you and on your right and on your left.” (Sahih Muslim, II.367:2183)

Abu Hurayra related that the Messenger of Allah @ said, “There are seven whom Allah will shade in His shade on the day on which there is no shade except His shade: a just imam, a youth who grows up worshipping Allah, a man whose heart is attached to the mosque when he leaves it until he returns to it, two men who love each other in Allah and meet for that and part for that, a man who remembers Allah when he is alone and his eyes overflow with tears, a man who refuses the approaches of a noble, beautiful woman, saying ‘I fear Allah’, and a man who gives sadaqa and conceals it so that his left hand does not know what his right hand gives.” (Al-Muwatta Imam Malik, 51:5.14)

CONSTITUTION

OF THE

WORLD MEMON ORGANISATION

CHARITABLE FOUNDATION

OVERVIEW

Background of the Memon community:

THE ORIGIN of the Memons as a community dates back several hundred years, when a few hundred families of Sindh (now a province of Pakistan) in the Indo-Pak sub-continent, accepted Islam. The word 'Memon' is derived from the word 'Momin' (possessor of Iman, or believer), which later became the designation of millions of followers of Islam.

There are over a million Memons in the world today. Wherever they are settled, the Memons have established their roots – as an enlightened progressive community of people. Their collective effort in establishing this body is to provide a source of inspiration and assistance for succeeding generations.

Definition of a Memon:

A MEMON is a Muslim person born within a Memon family which traces its ancestry back to the descendants of the community originating from Sindh whose members first embraced Islam, including Halai Memons, Okhai Memons, Sindhi Memons, Katchi Memons, Kathri, Tharati, Nasarpuria and others.

Declaration of Principles:

The World Memon Organisation Charitable Foundation ("the WMO") shall be, insh'Allah:

1. an accord of Memon organisations, institutions, corporate bodies, associations, jama'ats and individuals which are established in different parts of the world;
2. an independent body, informed and guided by the Holy Qur'an and the Sunnah of the Prophet Muhammad, may Allah bless him and grant him peace, in all its aims, objectives, policies and procedures with a view to promoting and facilitating consultation, co-operation and co-ordination in Memon community affairs throughout the world;

3. a broad-based, representative organisation of Memons, accommodating and reflecting the diversity of the social, cultural and international backgrounds of the entire Memon community;
4. a body that shall endeavour to formulate, implement and utilise its policies and decisions on the basis of broad consensus and the largest practicable measure of common agreement;
5. a body that shall endeavour to utilise the talents and specialist skills of its individual members and the strengths and resources of its organised bodies in preparing the case for and advocating the responsibilities and rights of Memons in particular and Muslims generally worldwide;
6. a non-sectarian and non-political body working for the common good while recognising the independence and autonomy of individuals and organisations and their respective works in the community of their domicile.
